

1609/63 Whiteman Street Southbank VIC

3  2  1 

With a spacious interior of approximately 105sqm and plenty of natural light via a desirable northerly aspect, this 3-bed, 2-bath apt is a great opportunity for secure & contemporary living close to South Melbourne and the CBD. Includes ducted A/C in the living area and a master with WIR & concealed private ensuite.

Accommodation: Accompanied by a modern kitchen featuring Caesarstone benchtops, stainless steel appliances and a dishwasher, the open-plan living areas lend themselves to multiple configurations and step out to an undercover balcony with a bright northerly outlook towards the CBD. All three double bedrooms include mirrored built-in robes, the master with a walk-through robe leading to a concealed private ensuite, while both bathrooms are fitted with floor-to-ceiling tiles and contemporary surfaces.
